

## **Letter to Benefactors**

(fragm.)

### **Look, what IBP Roma, House of Rome, has prepared for you!**

Being aware of our financial worries in this earthly life, it gives me great pleasure to inform you that our seminarians, spontaneously, agreed to intercede for you to Our Lord, and, in fact, specifically for each and every benefactor. Thus, every day, each seminarian will pray for each of you personally, being aware that as early as during formation he is entrusted with certain souls — your souls.

Every night, we shall pray for our benefactors during Compline. Moreover, we shall say Mass once a month for you and your beloved deceased.

You will be able to attend Mass at St Peter's offered for you and your intentions.

We shall also help you find accommodation in Rome, and show you the hidden areas (such as the inside of the Vatican normally inaccessible) and do our best to make your stay here an unforgettable experience full of God's grace carried all the way home.

Priests and seminarians at IBP-Roma will guide you through the very heart of the Vatican City to book the best places for you during papal audiences.

For those benefactors who would so wish, we will introduce them to the specific seminarian who is to pray for them daily, to see how their gifts and donations are spent.

Last but not least, we offer you an up-to-date publication of our website as it comes.

Rev. René -Sebastien Fournié  
Superior IBP Roma
